The TLAM system only allows you to go back **two** pay periods beyond the current pay period.

How long will it take to get your first check?

Once your packet is submitted to HR, please note that it can take up to 2-3 weeks for processing.

Where should you pick up your paycheck?

**Step 2:
Multiple Jobs
or Spouse
Works**

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

(a) Use the estimator at www.irs.gov/W4App for most accurate withholding for this step (and Steps 3–4); **or**

(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below for roughly accurate withholding; **or**

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld ▶

TIP: To be accurate, submit a 2020 Form W-4 for all other jobs. If you (or your spouse) have self-employment income, including as an independent contractor, use the estimator.

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependents	If your income will be \$200,000 or less (\$400,000 or less if married filing jointly):		
	Multiply the number of qualifying children under age 17 by \$2,000 ▶ \$ _____		
	Multiply the number of other dependents by \$500 ▶ \$ _____		
	Add the amounts above and enter the total here	3	\$ _____
Step 4 (optional): Other Adjustments	(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income	4(a)	\$ _____

General Instructions

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505.

Exemption from withholding. You may claim exemption from withholding for 2020 if you meet both of the following conditions: you had no federal income tax liability in 2019 and you expect to have no federal income tax liability in 2020. You had no federal income tax liability in 2019 if (1) your total tax on line 16 on your 2019 Form 1040 or 1040-SR is zero (or less than the sum of lines 18a, 18b, and 18c), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2020 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1a, 1b, and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 16, 2021.

Your privacy. If you prefer to limit information provided in Steps 2 through 4, use the online estimator, which will also increase accuracy.

As an alternative to the estimator: if you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c). If this is the only job in your household, you may instead check the box in Step 2(c), which will increase your withholding and significantly reduce your paycheck (often by thousands of dollars over the year).

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Expect to work only part of the year;
2. Have dividend or capital gain income, or are subject to additional taxes, such as the additional Medicare tax;
3. Have self-employment income (see below); or
4. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

If you (and your spouse) have a total of only two jobs, you may instead check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. Step 3 of Form W-4 provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 972, Child Tax Credit and Credit for Other Dependents. You can also include **other tax credits** in this step, such as education tax credits and the foreign tax credit. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2020 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b)—Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on only ONE Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3
2 Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a
b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b
c Add the amounts from lines 2a and 2b and enter the result on line 2c
3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc.
4 Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)

Step 4(b)—Deductions Worksheet (Keep for your records.)

- 1 Enter an estimate of your 2020 itemized deductions (from Schedule A (Form 1040 or 1040-SR)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 10% of your income
2 Enter: { \$24,800 if you're married filing jointly or qualifying widow(er); \$18,650 if you're head of household; \$12,400 if you're single or married filing separately }
3 If line 1 is greater than line 2, subtract line 2 from line 1. If line 2 is greater than line 1, enter "-0-"
4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Schedule 1 (Form 1040 or 1040-SR)). See Pub. 505 for more information
5 Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4

Changes effective for 2020

Form IT-2104 has been revised for tax year 2020. The worksheet on page 4 and the charts beginning on page 5, used to compute withholding allowances or to enter an additional dollar amount on line(s) 3, 4, or 5, have been revised. If you previously filed a Form IT-2104 and used the worksheet or charts, you should complete a new 2020 Form IT-2104 and give it to your employer.

Who should file this form

This certificate, Form IT-2104, is completed by an employee and given to the employer to instruct the employer how much New York State (and New York City and Yonkers) tax to withhold from the employee's pay. The more allowances claimed, the lower the amount of tax withheld.

If the federal Form W-4 you most recently submitted to your employer was for tax year 2019 or earlier, and you do not file Form IT-2104, your employer may use the same number of allowances you claimed on your federal Form W-4. Due to differences in tax law, this may result in the wrong amount of tax withheld for New York State, New York City, and Yonkers.

For tax years 2020 or later, withholding allowances are no longer reported on federal Form W-4. Therefore, if you submit a federal Form W-4 to your

employer for tax year 2020 or later, and you do not file Form IT-2104, your employer may use zero as your number of allowances. This may result in the wrong amount of tax withheld for New York State, New York City, and Yonkers.

Complete Form IT-2104 each year and file it with your employer if the number of allowances you may claim is different from federal Form W-4 or has changed. Common reasons for completing a new Form IT-2104 each year include the following:

- You started a new job.
- You are no longer a dependent.
- Your individual circumstances may have changed (for example, you were married or have an additional child).
- You moved into or out of NYC or Yonkers.
- You itemize your deductions on your personal income tax return.
- You claim allowances for New York State credits.
- You owed tax or received a large refund when you filed your personal income tax return for the past year.
- Your wages have increased and you expect to earn \$107,650 or more during the tax year.

- The total income of you and your spouse has increased to \$107,650 or more for the tax year.
- You have significantly more or less income from other sources or from another job.
- You no longer qualify for exemption from withholding.
- You have been advised by the Internal Revenue Service that you are entitled to fewer allowances than claimed on your original federal Form W-4 (submitted to your employer for tax year 2019 or earlier), and the disallowed allowances were claimed on your original Form IT-2104.
- You are a covered employee of an employer that has elected to participate in the Employer Compensation Expense Program.
- You made contributions to a New York Charitable Gifts Trust Fund (the Health Charitable Account or the Elementary and Secondary Education Account).

Exemption from withholding

You cannot use Form IT-2104 to claim exemption from withholding. To claim exemption from income tax withholding, you **must** file Form IT-2104-E, *Certificate of Exemption from Withholding*, with your employer. You must file a new certificate each year that you qualify for exemption. This exemption from withholding is allowable only if you had no New York income tax liability in the prior year, you expect none in the current year, **and** you are over 65 years of age, under 18, or a full-time student under 25. You may also claim exemption from withholding if you are a military spouse and meet the conditions set forth under the Servicemembers Civil Relief Act as amended by the Military Spouses Residency Relief Act and the Veterans Benefits and Transition Act. If you are a dependent who is under 18 or a full-time student, you may owe tax if your income is more than \$3,100.

Withholding allowances

You may **not** claim a withholding allowance for yourself or, if married, your spouse. Claim the number of withholding allowances you compute in Part 1 and Part 5 of the worksheet on page 4. If you want more tax withheld, you may claim fewer allowances. **If you claim more than 14 allowances**, your employer **must send** a copy of your **Form IT-2104** to the New York State Tax Department. You may then be asked to verify your allowances. If you arrive at negative allowances (less than zero) on lines 1 or 2 and your employer cannot accommodate negative allowances, **enter 0** and see *Additional dollar amount(s)* below.

Income from sources other than wages – If you have more than \$1,000 of income from sources other than wages (such as interest, dividends, or alimony received), reduce the number of allowances claimed on line 1 and line 2 (if applicable) of the IT-2104 certificate by one for each \$1,000 of nonwage income. If you arrive at negative allowances (less than zero), see *Withholding allowances* above. You may also consider making estimated tax payments, especially if you have significant amounts of nonwage income. Estimated tax requires that payments be made by the employee directly to the Tax Department on a quarterly basis. For more information, see the instructions for Form IT-2105, *Estimated Tax Payment Voucher for Individuals*, or see *Need help?* on page 7.

Other credits (Worksheet line 14) – If you will be eligible to claim any credits other than the credits listed in the worksheet, such as an investment tax credit, you may claim additional allowances.

Find your filing status and your New York adjusted gross income (NYAGI) in the chart below, and divide the amount of the expected credit by the number indicated. Enter the result (rounded to the nearest whole number) on line 14.

Single and NYAGI is:	Head of household and NYAGI is:	Married and NYAGI is:	Divide amount of expected credit by:
Less than \$215,400	Less than \$269,300	Less than \$323,200	65
Between \$215,400 and \$1,077,550	Between \$269,300 and \$1,616,450	Between \$323,200 and \$2,155,350	68
Over \$1,077,550	Over \$1,616,450	Over \$2,155,350	88

Example: You are married and expect your New York adjusted gross income to be less than \$323,200. In addition, you expect to receive a flow-through of an investment tax credit from the S corporation of which

you are a shareholder. The investment tax credit will be \$160. Divide the expected credit by 65. $160/65 = 2.4615$. The additional withholding allowance(s) would be 2. Enter 2 on line 14.

Married couples with both spouses working – If you and your spouse both work, you should each file a separate IT-2104 certificate with your respective employers. Your withholding will better match your total tax if the higher wage-earning spouse claims all of the couple's allowances and the lower wage-earning spouse claims zero allowances. **Do not** claim more total allowances than you are entitled to. If your combined wages are:

- less than \$107,650, you should each mark an **X** in the box *Married, but withhold at higher single rate* on the certificate front, and divide the total number of allowances that you compute on line 20 and line 35 (if applicable) between you and your working spouse.
- \$107,650 or more, use the chart(s) in Part 6 and enter the additional withholding dollar amount on line 3.

Taxpayers with more than one job – If you have more than one job, file a separate IT-2104 certificate with each of your employers. Be sure to claim only the total number of allowances that you are entitled to. Your withholding will better match your total tax if you claim all of your allowances at your higher-paying job and zero allowances at the lower-paying job. In addition, to make sure that you have enough tax withheld, if you are a single taxpayer or head of household with two or more jobs, and your combined wages from all jobs are under \$107,650, reduce the number of allowances by seven on line 1 and line 2 (if applicable) on the certificate you file with your higher-paying job employer. If you arrive at negative allowances (less than zero), see *Withholding allowances* above.

If you are a single or a head of household taxpayer, and your combined wages from all of your jobs are between \$107,650 and \$2,263,265, use the chart(s) in Part 7 and enter the additional withholding dollar amount from the chart on line 3.

If you are a married taxpayer, and your combined wages from all of your jobs are \$107,650 or more, use the chart(s) in Part 6 and enter the additional withholding dollar amount from the chart on line 3 (Substitute the words *Higher-paying job* for *Higher earner's wages* within the chart).

Dependents – If you are a dependent of another taxpayer and expect your income to exceed \$3,100, you should reduce your withholding allowances by one for each \$1,000 of income over \$2,500. This will ensure that your employer withholds enough tax.

Following the above instructions will help to ensure that you will not owe additional tax when you file your return.

Heads of households with only one job – If you will use the head-of-household filing status on your state income tax return, mark the *Single or Head of household* box on the front of the certificate. If you have only one job, you may also wish to claim two additional withholding allowances on line 15.

Additional dollar amount(s)

You may ask your employer to withhold an additional dollar amount each pay period by completing lines 3, 4, and 5 on Form IT-2104. In most instances, if you compute a negative number of allowances and your employer cannot accommodate a negative number, for each negative allowance claimed you should have an additional \$1.85 of tax withheld per week for New York State withholding on line 3, and an additional \$0.80 of tax withheld per week for New York City withholding on line 4. Yonkers residents should use 16.75% (.1675) of the New York State amount for additional withholding for Yonkers on line 5.

Note: If you are requesting your employer to withhold an additional dollar amount on lines 3, 4, or 5 of this allowance certificate, the additional dollar amount, as determined by these instructions or by using the chart(s) in Part 6 or Part 7, is accurate for a weekly payroll. Therefore, if you are not paid on a weekly basis, you will need to adjust the dollar amount(s) that you compute. For example, if you are paid biweekly, you must double the dollar amount(s) computed.

Avoid underwithholding

Form IT-2104, together with your employer's withholding tables, is designed to ensure that the correct amount of tax is withheld from your pay. If you fail to have enough tax withheld during the entire year, you may owe a large tax liability when you file your return. The Tax Department must assess interest and may impose penalties in certain situations in addition to the tax liability. Even if you do not file a return, we may determine

that you owe personal income tax, and we may assess interest and penalties on the amount of tax that you should have paid during the year.

Instructions

Resident and nonresident defined

To determine whether or not you are a resident of New York State, New York City, or Yonkers, you must consider your domicile and permanent place of abode. In general, your *domicile* is the place you intend to have as your permanent home. In general, a *permanent place of abode* is a residence (a building or structure where a person can live) that you permanently maintain, whether you own it or not, that is suitable for year-round use. A *permanent place of abode* usually includes a residence your spouse owns or leases. For additional information, visit our website.

Resident

New York State resident – You are a New York State resident if:

1. You maintain a permanent place of abode in New York State for more than 11 months of the year and spend 184 days or more (a part of a day is a day for this purpose) in New York State during the taxable year, whether or not domiciled in New York State.

However, if you are a member of the armed forces, and your domicile is not New York State, you are not a resident under this definition. Also, if you are a military spouse domiciled in another state, but located in New York State solely to be with your spouse (who is a member of the armed services present in New York State in compliance with military orders), you are not considered a resident under this definition. For more information, see TSB-M-10(1)I, *Military Spouses Residency Relief Act*; or

2. Your domicile is New York State. However, even if your domicile is New York State, you are not a resident if you meet **all three** of the conditions in either Group A or Group B as follows:

Group A

1. You did not maintain any permanent place of abode in New York State during the tax year, **and**
2. you maintained a permanent place of abode outside New York State during the entire tax year, **and**
3. you spent **30 days or less** (a part of a day is a day for this purpose) in New York State during the tax year.

Group B

1. You were in a foreign country for at least 450 days (a part of a day is a day for this purpose) during any period of 548 consecutive days, **and**
2. you, your spouse (unless legally separated), and minor children spent **90 days or less** (a part of a day is a day for this purpose) in New York State during this 548-day period; **and**
3. during the nonresident portion of the tax year in which the 548-day period begins, and during the nonresident portion of the tax year in which the 548-day period ends, you were present in New York State for no more than the number of days which bears the same ratio to 90 as the number of days in such portion of the tax year bears to 548. The following formula illustrates this condition:

$$\frac{\text{number of days in the nonresident portion}}{548} \times 90 = \text{maximum number of days allowed in New York State}$$

To determine if you are a New York City or Yonkers resident, substitute *New York City* or *Yonkers*, whichever is applicable, for *New York State* in the above definition.

Nonresident and part-year resident

You are a *nonresident* if you do not meet the above definition of a resident. You are a *part-year resident* if you meet the definition of resident or nonresident for only part of the year.

Percent of services

The percent of services performed in New York State or Yonkers may be computed using days, miles, time, or similar criteria. For example, an individual working in New York State two out of five days for the entire year performs 40% of his or her services in New York State.

Instructions

Employee

Who qualifies – To claim exemption from withholding for New York State personal income tax (and New York City and Yonkers personal income tax, if applicable), you must meet the conditions in either Group A or Group B:

Group A

- you must be under age 18, or over age 65, or a full-time student under age 25; **and**
- you did not have a New York income tax liability for 2019; **and**
- you do not expect to have a New York income tax liability for 2020 (for this purpose, you have a tax liability if your return shows tax before the allowance of any credit for income tax withheld).

Group B

- you meet the conditions set forth under the Servicemembers Civil Relief Act (SCRA), as amended by the Military Spouses Residency Relief Act and the Veterans Benefits and Transition Act. See *Military spouses*.

If you meet the conditions in Group A or Group B, file this certificate, Form IT-2104-E, with your employer. Otherwise, your employer

must withhold New York State income tax (and New York City and Yonkers personal income tax, if applicable) from your wages. Do not send this certificate to the Tax Department.

Generally, as a resident, you are required to file a New York State income tax return if you are required to file a federal income tax return, or if your federal adjusted gross income plus your New York additions is more than \$4,000, regardless of your filing status. However, if you are single and can be claimed as a dependent on another person's federal return, you must file a New York State return if your federal adjusted gross income plus your New York additions is more than \$3,100.

If you are a nonresident and have income from New York sources, you must file a New York return if the sum of your federal adjusted gross income and New York additions to income is more than your New York standard deduction.

A penalty of \$500 may be imposed for furnishing false information that decreases your withholding amount.

Note: If you do not qualify for exemption, or you want New York State, New York City, or Yonkers personal income tax withheld from your pay, file Form IT-2104, *Employee's Withholding Allowance Certificate*, with your employer. Follow the instructions

on Form IT-2104 to determine the correct number of allowances to claim for withholding tax purposes.

When to claim exemption from withholding – File this certificate with your employer if you meet the conditions listed in Group A or Group B above. **You must file a new certificate each year if you wish to continue to claim the exemption.**

Military spouses – Under the Servicemembers Civil Relief Act (SCRA), as amended by the Military Spouses Residency Relief Act and the Veterans Benefits and Transition Act, you may be exempt from New York income tax (and New York City and Yonkers personal income tax, if applicable) on your wages if: 1) your spouse is a member of the armed forces present in New York in compliance with military orders; 2) you are present in New York solely to be with your spouse; and 3) you are domiciled in another state.

Liability for estimated tax – If, as a result of this exemption certificate, your employer does not withhold income tax from your wages and you later fail to qualify for exemption from tax, you may be required to pay estimated tax and be subject to penalty if it is not paid. For further information, see Form IT-2105, *Estimated Tax Payment Voucher for Individuals*.

Multiple employers – If you have more than one employer, you may claim exemption from withholding with each employer as long as your total expected income will not cause you to incur a New York income tax liability for the year 2020 and you had no liability for 2019.

Revocation by employee – You must revoke this exemption certificate (1) within 10 days from the day you expect to incur a New York income tax liability for the year 2020, (2) on or before December 1, 2020, if you expect to incur a tax liability for 2021, or (3) when you no longer qualify for exemption under the SCRA.

If you are required to revoke this certificate, if you no longer meet the age requirements for claiming exemption, or if you want income tax withheld from your pay (because, for example, you expect your income to exceed \$3,100), you **must** file Form IT-2104, *Employee's Withholding Allowance Certificate*, with your employer. Follow the instructions on Form IT-2104 to determine the correct number of allowances to claim for withholding tax purposes.

Filing status – Mark an **X** in one box on Form IT-2104-E that shows your present filing status for federal purposes.

Employer

Keep this certificate with your records. If an employee who claims exemption from withholding on Form IT-2104-E usually earns more than \$200 per week, you **must** send a copy of that employee's Form IT-2104-E to: **NYS Tax Department, Income Tax Audit Administrator, Withholding Certificate Coordinator, W A Harriman Campus, Albany NY 12227-0865**. See Publication 55, *Designated Private Delivery Services*, if not using U.S. Mail. If the employee is also a new hire or rehire, see **Note** below.

The Tax Department will not accept this form if it is incomplete. We will review these certificates and notify you of any adjustments that must be made.

Due dates for sending certificates received from employees who claim exemption and earn more than \$200 per week are:

Quarter	Due date	Quarter	Due date
January – March	April 30	July – September	October 31
April – June	July 31	October – December	January 31

Revocation by employer – You must revoke this exemption within 10 days if, on any day during the calendar year, the date of birth stated on the certificate filed by the employee indicates the employee no longer meets the age requirements for exemption. The revocation must be in the form of a written notice to the employee.

New hires and rehires – Mark an **X** in the box if you are submitting a copy of this form to comply with New York State's New Hire Reporting Program. A newly hired or rehired employee means an employee previously not employed by you, or previously employed by you but separated from such employment for 60 or more consecutive days. Enter the first day any services are performed for which the employee will be paid wages, commissions, tips and any other type of compensation. For services based solely on commissions, this is the first day an employee working for commissions is eligible to earn commissions. Also, mark an **X** in the *Yes* or *No* box indicating if dependent health insurance benefits are available to this employee. If *Yes*, enter the date the employee qualifies for coverage. Mail the completed form, within 20 days of hiring, to:

**NYS TAX DEPARTMENT
NEW HIRE NOTIFICATION
PO BOX 15119
ALBANY NY 12212-5119**

To report newly hired or rehired employees online go to <https://www.nynewhire.com>.

Note: If the newly hired or rehired employee has also claimed exemption from withholding but usually earns more than \$200 per week, mail Form IT-2104-E to the Tax Department at the New Hire Notification address above.

If your workday consists of multiple types of entered time, it is indicated in the timesheet by entering the number of hours for one Time Reporting Code and then adding a new row to enter hours for another Time Reporting Code. Click the “+” sign to record additional hours worked for a day.

For example, if your day consists of 3 hours worked and 4 hours of taking time off in lieu of pay, it is entered and would appear as follows.

Enter Multiple Break Times within the Same Workday

If your workday consists of multiple breaks within the same day and you need more fields for entry, create a new row to enter the time. You can enter as many rows of time per type of work/time code using the corresponding Time Reporting Codes as needed.

		Needs Approval	3:00:00PM	6:00:00PM			3.00	01 REG - Regular Hours		7.00	2/28

Timesheets and Absences

You can also enter absences through the timesheet as well as a partially worked day along with a partial absence event.

See *the Entering Absences on a Timesheet* section of this guide for steps on entering absences in a timesheet and examples.

Submit a Timesheet

Each time you complete an entry on the timesheet, click 'Submit' to save it on the timesheet and submit it to your manager for approval.

Before final submission for the pay period, review your timesheet to ensure you have accounted for all scheduled hours.

To submit a timesheet:

1. Click the **'Submit'** button on the bottom of the timesheet
2. Click the **'OK'** button for the Submit Confirmation message. The timesheet routes to your manager for approval. The Reported Status is now "Needs Approval". Once your manager approves it, the status will change to "Approved".

You can edit a submitted or approved time entry and submit it again for review up until the submission deadline for the pay period.

Viewing Time Entry Status

To view the workflow status of a time entry, click the link in the Reported Status column and the Timesheet Approval Monitor appears.

Here you can view the chronological actions taken for each item.

The screenshot shows a timesheet grid with columns for days and time slots. A 'New' entry is highlighted in yellow. Below the grid, a 'Timesheet Approval Monitor' window is open, showing the entry is 'By PosMgmt' and 'Approved' by Kristina Gorbatenko on 03/30/17 at 6:43 PM. The window also shows a 'Reported Time Approval for REG on 2017-02-22 09.00.00 (In): Approved' and a 'Route to PosMgmt' button.

Editing a Timesheet Entry

Timesheet edits can be made to the current and prior two (2) pay periods.

In the current pay period: You can edit a timesheet during the current pay period even if has already been submitted or approved. Changes can be made until the submission deadline for the pay period. Simply **update** the entries and **'Submit'** the timesheet again before the deadline and it will route to your manager for approval.

In prior pay periods: Navigate to the timesheet using the calendar or navigation links on the Timesheet Entry page. Make any required **updates** to the selected timesheet and **Submit** it and it will route to your manager for approval.

For prior processed pay periods greater than the past two pay periods, contact your manager/DTA.

Correcting a Returned Timesheet

If a question arises on a time entry, managers can **Push Back** an item to indicate that it requires a change or needs to be removed. If this occurs, you will receive an email that your timesheet was modified and you can log in directly from the email to review it.

1. Review your manager's comment in the **Comments** field next to the 'denied' or 'pushed back' item
2. ***Delete** the denied or pushed back item by clicking on the "-" sign at the end of the row and then **"yes"** to confirm removal. **You must delete the pushed back/denied row and then re-enter the time for that day*
3. *If a re-entry is needed*, re-enter the correct time data and submit the timesheet

Pushed Back absences can also be edited through the absence tab beneath the timesheet.

A manager can also make edits directly in your timesheet. You will receive a notification email if someone else modifies your timesheet.

Key Timesheet Entry Points

- Casual employees and Variable Hours Officers are paid per the approved time entered
- All other time reporters must ensure the total time submitted equals at least their scheduled hours. Submitted hours may be greater than scheduled if you work overtime
- When entering time into the In and Out fields, use the colon ':' and add **am or pm** to clearly indicate the time of day. E.g. 9:00am or 5:30pm
- Total hours are calculated based on the exact times entered **(the system does not round)**
