FAQs

Where do I submit my Student Casual paperwork?

The completed packet should be submitted to Shartiss England at sengland@law.columbia.edu.

How do I submit my timesheet for approval?

Timesheets should be submitted online through the **TLAM** (Time & Labor, Absence Management) system. (see instructions in this packet or go to https://finance-admin.law.columbia.edu/content/time-labor-and-absence-management-tlam-system)

Can I submit back dated timesheets?

The TLAM system only allows you to go back **two** pay periods beyond the current pay period.

How long will it take to get your first check?

Once your packet is submitted to HR, please note that it can take up to 2-3 weeks for processing.

Where should you pick up your paycheck?

Paychecks will be mailed directly to your mailing address on file if you have not setup direct deposit (see pay schedule in this packet). If your timesheets are submitted late, your paycheck will be processed on the next pay cycle.

How can you apply for direct deposit?

After receiving your first paycheck, please sign up for direct deposit at Columbia's employee self-service site (see details in the back of this packet). Direct deposit will be deactivated if you have had a break in service of four month or longer. Having direct deposit on SSOL does NOT mean you have direct deposit for Columbia University Payroll.

When do I need to submit rehire paperwork?

Rehire paperwork should be submitted every time you accept a new causal position at the law school. You will also need to submit rehire paperwork if you've been terminated out the system.

General Instructions

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2021 if you meet both of the following conditions: you had no federal income tax liability in 2020 and you expect to have no federal income tax liability in 2021. You had no federal income tax liability in 2020 if (1) your total tax on line 24 on your 2020 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2021 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2022.

Your privacy. If you prefer to limit information provided in Steps 2 through 4, use the online estimator, which will also increase accuracy.

As an alternative to the estimator: if you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c). If this is the only job in your household, you may instead check the box in Step 2(c), which will increase your withholding and significantly reduce your paycheck (often by thousands of dollars over the year).

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

- Expect to work only part of the year;
- 2. Have dividend or capital gain income, or are subject to additional taxes, such as Additional Medicare Tax;
- 3. Have self-employment income (see below); or
- 4. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

If you (and your spouse) have a total of only two jobs, you may instead check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 972, Child Tax Credit and Credit for Other Dependents. You can also include other tax credits in this step, such as education tax credits and the foreign tax credit. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2021 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Form W-4 (2021)

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

1	Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter		
	that value on line 1. Then, skip to line 3	1	\$
2	Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.		
	a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a	2a	\$
	b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b	2b	\$
	c Add the amounts from lines 2a and 2b and enter the result on line 2c	2c	\$
3	Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc	3	
4	Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)	4	\$
	Step 4(b) - Deductions Worksheet (Keep for your records.)		
1	Enter an estimate of your 2021 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income	1	\$
2	Enter: • \$25,100 if you're married filing jointly or qualifying widow(er) • \$18,800 if you're head of household • \$12,550 if you're single or married filing separately	2	\$
3	If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"	3	\$
4	Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information	4	\$
5	Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4	5	\$

Notice of Employee Rights: Safe and Sick Leave

If you work part time or full time at any size business or nonprofit in NYC or if you work in an NYC household as a domestic worker, you have the right to safe and sick leave to care for yourself or anyone you consider family. You have this right regardless of your immigration status. Your employer must give you this notice explaining your rights.

Amount of Safe and Sick Leave:

All employers must provide up to 40 hours of safe and sick leave each calendar year.

Beginning January 1, 2021:

• Employers with 100 or more employees must provide up to 56 hours of safe and sick leave each calendar year.

Your employer's calendar year is:	JULY	to	JUNE
	First month		Last month

You earn safe and sick leave at a rate of 1 hour for every 30 hours worked.

You have a right to **PAID** safe and sick leave if:

- Your employer has 5 or more employees.
- Your employer has fewer than 5 employees but a net income of \$1 million or more. (effective January 1, 2021)
- You work in someone's home as a domestic worker; for example, babysitter, housekeeper, or companionship worker.
 Note: The law covers 1 or more domestic

workers working in a household.

You have a right to UNPAID safe and sick leave if:

• Your employer has fewer than 5 employees and a net income of less than \$1 million.

You can carry over unused safe and sick leave to the next calendar year.

Use of Safe and Sick Leave:

- Use it for your health, including to get medical care or to recover from illness or injury.
- Use it to care for a family member who is sick or has a medical appointment.
- Use it when your job or your child's school closes due to a public health emergency.
- Use it for your safety or for a family member's safety because of domestic violence, unwanted sexual contact, stalking, or human trafficking.

Your employer can require you to give advance notice of a planned use of safe and sick leave; for example, to attend a scheduled doctor's appointment or court hearing. You do not have to give advance notice of an unexpected use of safe and sick leave; for example, a sudden illness or medical emergency.

You have a right to privacy. You do not have to give your employer details about why you used safe or sick leave.

If you use more than three workdays in a row of safe and sick leave, your employer can require documentation. Your employer must reimburse you for any fees you pay for required documentation. Documentation should *not* include the details of your private medical or personal situation.

Required Written Disclosures about Safe and Sick Leave:

Your employer must:

- Give you a written safe and sick leave policy that explains how to use your benefits.
- Tell you how much safe and sick leave you have used and have left each pay period.

No Retaliation:

It is illegal to punish or fire employees for requesting or using safe and sick leave or for reporting violations.

Contact Consumer and Worker Protection to learn more or to file a complaint.

Enter Time into Timesheets

Basic Timesheet Entry

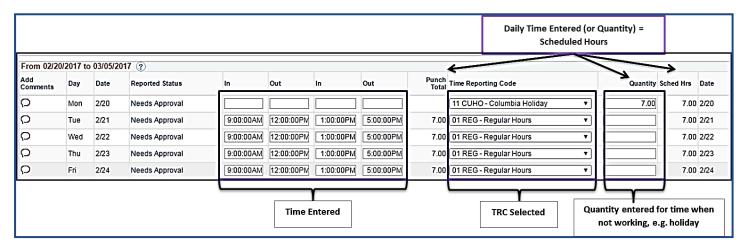

Log in to PAC Time and Absence

Navigate to 'my.columbia.edu' and log in with your UNI and Password. Click the "Submit Timesheet" link in the PAC Time and Absence section on the page. The current pay period timesheet appears.

If you are already in PAC, the menu navigation is: Self-Service > Time Reporting > Report Time > Timesheet

Enter Hours Worked into Timesheet

- 1. **Enter** your begin time, time you left for break, time you returned from break, and your ending time for the day within each 'In' and 'Out' field. For example "9:00 am 12:00 pm 5:00pm"
- 2. **Select** the **Time Reporting Code (TRC).** Click the Time Reporting Code dropdown arrow to select the category for the hours, e.g. REG-Regular for worked hours.

3. Adding a Comment

Comments are optional and you can add a comment by clicking the bubble icon in the Add Comments column next the time entry.

Enter your comment in the field and then click "OK".

4. **Submit** the Timesheet. Click Submit to send the entry to your manager. The entry remains saved on the timesheet in a "Needs Approval" status until approved by your manager. Continue entry and submittal each day of the pay period. You can continue to enter and submit throughout the pay period.

Enter Multiple Time Categories within a Day

If your workday consists of multiple types of entered time, it is indicated in the timesheet by entering the number of hours for one Time Reporting Code and then adding a new row to enter hours for another Time Reporting Code. Click the "+" sign to record additional hours worked for a day.

For example, if your day consists of 3 hours worked and 4 hours of taking time off in lieu of pay, it is entered and would appear as follows.

- 1. Enter the 3 hours worked in the 'In' and 'Out' fields for the day, e.g. "9:00 am. 12:00pm"
- 2. Select the Time Reporting Code for the work hours, e.g. REG
- 3. Click the "+" sign at the end of the row to open a new entry row for that same day
- 4. Enter the quantity of hours for remainder of the work day, e.g.4
- 5. Select the Time Reporting Code for this block of time, e.g. ILPU -In Lieu of Pay Used

Enter Multiple Break Times within the Same Workday

If your workday consists of multiple breaks within the same day and you need more fields for entry, create a new row to enter the time. You can enter as many rows of time per type of work/time code using the corresponding Time Reporting Codes as needed.

Timesheets and Absences

You can also enter absences through the timesheet as well as a partially worked day along with a partial absence event.

See the Entering Absences on a Timesheet section of this guide for steps on entering absences in a timesheet and examples.

Submit a Timesheet

Each time you complete an entry on the timesheet, click 'Submit' to save it on the timesheet and submit it to your manager for approval.

Before final submission for the pay period, review your timesheet to ensure you have accounted for all scheduled hours.

To submit a timesheet:

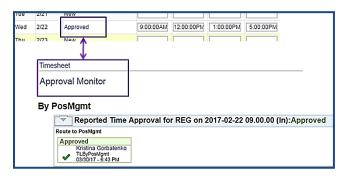

- 1. Click the 'Submit' button on the bottom of the timesheet
- 2. Click the '**Ok'** button for the Submit Confirmation message. The timesheet routes to your manager for approval. The Reported Status is now "Needs Approval". Once your manager approves it, the status will change to "Approved".

You can edit a submitted or approved time entry and submit it again for review up until the submission deadline for the pay period.

Viewing Time Entry Status

To view the workflow status of a time entry, click the link in the Reported Status column and the Timesheet Approval Monitor appears.

Here you can view the chronological actions taken for each item.

Editing a Timesheet Entry

Timesheet edits can be made to the current and prior two (2) pay periods.

<u>In the current pay period</u>: You can edit a timesheet during the current pay period even if has already been submitted or approved. Changes can be made until the submission deadline for the pay period. Simply **update** the entries and **'Submit'** the timesheet again before the deadline and it will route to your manager for approval.

<u>In prior pay periods</u>: Navigate to the timesheet using the calendar or navigation links on the Timesheet Entry page. Make any required **updates** to the selected timesheet and **Submit** it and it will route to your manager for approval.

For prior processed pay periods greater than the past two pay periods, contact your manager/DTA.

Correcting a Returned Timesheet

If a question arises on a time entry, managers can **Push Back** an item to indicate that it requires a change or needs to be removed. If this occurs, you will receive an email that your timesheet was modified and you can log in directly from the email to review it.

- 1. Review your manager's comment in the Comments field next to the 'denied' or 'pushed back' item
- 2. *Delete the denied or pushed back item by clicking on the "-" sign at the end of the row and then "yes" to confirm removal. *You must delete the pushed back/denied row and then re-enter the time for that day
- 3. If a re-entry is needed, re-enter the correct time data and submit the timesheet

Pushed Back absences can also be edited through the absence tab beneath the timesheet.

A manager can also make edits directly in your timesheet. You will receive a notification email if someone else modifies your timesheet.

Key Timesheet Entry Points

- Casual employees and Variable Hours Officers are paid per the approved time entered
- All other time reporters <u>must ensure</u> the total time submitted equals at least their scheduled hours. Submitted hours may be greater than scheduled if you work overtime
