FAQs

Where do I submit my Student Casual paperwork?

The completed packet should be submitted to Dina Muthana at **Dina.Muthana@law.columbia.edu**.

How do I submit my timesheet for approval?

Timesheets should be submitted online through the **TLAM** (Time & Labor, Absence Management) system. (see instructions in this packet or go to <https://finance-admin.law.columbia.edu/content/time-labor-and-absence-management-tlam-system>).

Can I submit back dated timesheets?

The TLAM system only allows you to go back **two** pay periods beyond the current pay period.

How long will it take to get your first check?

Once your packet is submitted to HR, please note that it can take up to 2-3 weeks for processing.

Where should you pick up your paycheck?

Paychecks will be mailed directly to your mailing address on file if you have not setup direct deposit (see pay schedule in this packet). If your timesheets are submitted late, your paycheck will be processed on the next pay cycle.

After receiving your first paycheck, please sign up for direct deposit at Columbia's employee self-service site (see details in the back of this packet). When do I need to submit rehire paperwork?

Rehire paperwork should be submitted every time you accept a new causal position at the law school. You will also need to submit rehire paperwork if you've been terminated out the system.

Personal
Information

(a) First name and middle initial	Last name	(b) Social security number
Address		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .

Step 2:
Multiple Jobs

Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

- (a) Reserved for future use.
- (b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**
- (c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate ☐

TIP: If you have self-employment income, see page 2.

Complete Steps 3–4(b) on Form W-4 for only **ONE** of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):		
	Multiply the number of qualifying children under age 17 by \$2,000 \$ _____

	Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here	3	\$ _____
Step 4 (optional): Other Adjustments	(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income	4(a)	\$ _____

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2023 if you meet both of the following conditions: you had no federal income tax liability in 2022 **and** you expect to have no federal income tax liability in 2023. You had no federal income tax liability in 2022 if (1) your total tax on line 24 on your 2022 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2023 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2024.

Your privacy. If you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c).

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay income and self-employment taxes through withholding from your wages, you should enter the self-employment income on Step 4(a). Then compute your self-employment tax, divide that tax by the number of pay periods remaining in the year, and include that resulting amount per pay period on Step 4(c). You can also add half of the annual amount of self-employment tax to Step 4(b) as a deduction. To calculate self-employment tax, you generally multiply the self-employment income by 14.13% (this rate is a quick way to figure your self-employment tax and equals the sum of the 12.4% social security tax and the 2.9% Medicare tax multiplied by 0.9235). See Pub. 505 for more information, especially if the sum of self-employment income multiplied by 0.9235 and wages exceeds \$160,200 for a given individual.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

If you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2023 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b)—Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables.

- 1 Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, **skip** to line 3 **1** \$ _____
- 2 Three jobs.** If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.

Step 4(b)—Deductions Worksheet (Keep for your records.)

- 1** Enter an estimate of your 2023 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income **1** \$ _____
- 2** Enter:

Instructions

Resident and nonresident defined

To determine whether or not you are a resident of New York State, New York City, or Yonkers, you must consider your domicile and permanent place of abode. In general, your *domicile* is the place you intend to have as your permanent home. In general, a *permanent place of abode* is a residence (a building or structure where a person can live) that you permanently maintain, whether you own it or not, that is suitable for year-round use. A *permanent place of abode* usually includes a residence your spouse owns or leases. For additional information, visit our website.

Resident

New York State resident – You are a New York State resident if:

1. You maintain a permanent place of abode in New York State for substantially all of the taxable year and spend 184 days or more (a part of a day is a day for this purpose) in New York State during the taxable year, whether or not domiciled in New York State.

However, if you are a member of the armed forces, and your domicile is not New York State, you are not a resident under this definition. If you are a military spouse, you may not be a resident under this definition. For more information, see TSB-M-10(1)I, *Military Spouses Residency Relief Act*, and TSB-M-19(3)I, *Veterans Benefits and Transition Act of 2018*; or

2. Your domicile is New York State. However, even if your domicile is New York State, you are not a resident if you meet **all three** of the conditions in either Group A or Group B as follows:

Group A

1. You did not maintain any permanent place of abode in New York State during the tax year, **and**
2. you maintained a permanent place of abode outside New York State during the entire tax year, **and**
3. you spent **30 days or less** (a part of a day is a day for this purpose) in New York State during the tax year.

Group B

1. You were in a foreign country for at least 450 days (a part of a day is a day for this purpose) during any period of 548 consecutive days, **and**
2. you, your spouse (unless legally separated), and minor children spent **90 days or less** (a part of a day is a day for this purpose) in New York State during this 548-day period; **and**
3. during the nonresident portion of the tax year in which the 548-day period begins, and during the nonresident portion of the tax year in which the 548-day period ends, you were present in New York State for no more than the number of days which bears the same ratio to 90 as the number of days in such portion of the tax year bears to 548. The following formula illustrates this condition:

$$\frac{\text{number of days in the nonresident portion}}{548} \times 90 = \text{maximum number of days allowed in New York State}$$

To determine if you are a New York City or Yonkers resident, substitute *New York City* or *Yonkers*, whichever is applicable, for *New York State* in the above definition.

Nonresident and part-year resident

You are a *nonresident* if you do not meet the above definition of a resident. You are a *part-year resident* if you meet the definition of resident or nonresident for only part of the year.

Percent of services

The percent of services performed in New York State or Yonkers may be computed using days, miles, time, or similar criteria. For example, an individual working in New York State two out of five days for the entire year performs 40% of his or her services in New York State.

Privacy notification

New York State Law requires all government agencies that maintain a system of records to provide notification of the legal authority for any request for personal information, the principal purpose(s) for which the information is to be collected, and where it will be maintained. Who qualifies – To claim exemption from withholding for New York State personal income tax (and New York City and Yonkers personal income tax, if applicable), you must meet the conditions in either Group A or Group B:

Group A

- you must be under age 18, or over age 65, or a full-time student under age 25; **and**
- you did not have a New York income tax liability for 2022; **and**
- you do not expect to have a New York income tax liability for 2023 (for this purpose, you have a tax liability if your return shows tax before the allowance of any credit for income tax withheld).

Group B

- you meet the conditions set forth under the Servicemembers Civil Relief Act (SCRA), as amended by the Military Spouses Residency Relief Act and the Veterans Benefits and Transition Act. See *Military spouses*.

If you meet the conditions in Group A or Group B, file this certificate, Form IT-2104-E, with your employer. Otherwise, your employer

must withhold New York State income tax (and New York City and Yonkers personal income tax, if applicable) from your wages. Do not send this certificate to the Tax Department.

Generally, as a resident, you are required to file a New York State income tax return if you are required to file a federal income tax return, or if your federal adjusted gross income plus your New York additions is more than \$4,000, regardless of your filing status. However, if you are single and can be claimed as a dependent on another person's federal return, you must file a New York State return if your federal adjusted gross income plus your New York additions is more than \$3,100.

If you are a nonresident and have income from New York sources, you must file a New York return if the sum of your federal adjusted gross income and New York additions to income is more than your New York standard deduction.

A penalty of \$500 may be imposed for furnishing false information that decreases your withholding amount.

Note: If you do not qualify for exemption, or you want New York State, New York City, or Yonkers personal income tax withheld from your pay, file Form IT-2104, *Employee's Withholding Allowance Certificate*, with your employer. Follow the instructions

on Form IT-2104 to determine the correct number of allowances to claim for withholding tax purposes.

When to claim exemption from withholding – File this certificate with your employer if you meet the conditions listed in Group A or Group B above. **You must file a new certificate each year if you wish to continue to claim the exemption.**

Military spouses – Under the Servicemembers Civil Relief Act (SCRA), as amended by the Military Spouses Residency Relief Act and the Veterans Benefits and Transition Act, you may be exempt from New York income tax (and New York City and Yonkers personal income tax, if applicable) on your wages if: 1) your spouse is a member of the armed forces present in New York in compliance with military orders; 2) you are present in New York solely to be with your spouse; and 3) you are domiciled in another state.

Liability for estimated tax – If, as a result of this exemption certificate, your employer does not withhold income tax from your wages and you later fail to qualify for exemption from tax, you may be required to pay estimated tax and be subject to penalty if it is not paid. For further information, see Form IT-2105, *Estimated Tax Payment Voucher for Individuals*.

Multiple employers – If you have more than one employer, you may claim exemption from withholding with each employer as long as your total expected income will not cause you to incur a New York income tax liability for the year 2023 and you had no liability for 2022.

Revocation by employee – You must revoke this exemption certificate (1) within 10 days from the day you expect to incur a New York income tax liability for the year 2023, (2) on or before December 1, 2023, if you expect to incur a tax liability for 2024, or (3) when you no longer qualify for exemption under the SCRA.

If you are required to revoke this certificate, if you no longer meet the age requirements for claiming exemption, or if you want income tax withheld from your pay (because, for example, you expect your income to exceed \$3,100), you **must** file Form IT-2104, *Employee's Withholding Allowance Certificate*, with your employer. Follow the instructions on Form IT-2104 to determine the correct number of allowances to claim for withholding tax purposes.

Filing status – Mark an **X** in one box on Form IT-2104-E that shows your present filing status for federal purposes.

Employer

Keep this certificate with your records. If an employee who claims exemption from withholding on Form IT-2104-E usually earns more than \$200 per week, you **must** send a copy of that employee's Form IT-2104-E to: **NYS Tax Department, Income Tax Audit Administrator, Withholding Certificate Coordinator, W A Harriman Campus, Albany NY 12227-0865**. If not using U.S. Mail, see Publication 55, *Designated Private Delivery Services*. If the employee is also a new hire or rehire, see **Note**.

The Tax Department will not accept this form if it is incomplete. We will review these certificates and notify you of any adjustments that must be made.

Due dates for sending certificates received from employees who claim exemption and earn more than \$200 per week are:

Quarter	Due date	Quarter	Due date
January – March	April 30	July – September	October 31
April – June	July 31	October – December	January 31

Revocation by employer – You must revoke this exemption within 10 days if, on any day during the calendar year, the date of birth stated on the certificate filed by the employee indicates the employee no longer meets the age requirements for exemption. The revocation must be in the form of a written notice to the employee.

New hires and rehires – Mark an **X** in the box if you are submitting a copy of this form to comply with New York State's New Hire Reporting Program. A newly hired or rehired employee means an employee previously not employed by you, or previously employed by you but separated from such employment for 60 or more consecutive days. Enter the first day any services are performed for which the employee will be paid wages, commissions, tips and any other type of compensation. For services based solely on commissions, this is the first day an employee working for commissions is eligible to earn commissions. Also, mark an **X** in the **Yes** or **No** box indicating if dependent health insurance benefits are available to this employee. If **Yes**, enter the date the employee qualifies for coverage. Mail the completed form, within 20 days of hiring, to:

**NYS TAX DEPARTMENT
NEW HIRE NOTIFICATION
PO BOX 15119
ALBANY NY 12212-5119**

To report newly hired or rehired employees online go to <https://www.nynewhire.com>.

Note: If the newly hired or rehired employee has also claimed exemption from withholding but usually earns more than \$200 per week, mail Form IT-2104-E to the Tax Department at the New Hire Notification address above.

Notice of Employee Rights: Safe and Sick Leave

If you work part time or full time at any size business or nonprofit in NYC or if you work in an NYC household as a domestic worker, you have the right to safe and sick leave to care for yourself or anyone you consider family. You have this right regardless of your immigration status. Your employer must give you this notice explaining your rights.

Amount of Safe and Sick Leave:

- All employers must provide up to **40 hours** of safe and sick leave each calendar year.

Beginning January 1, 2021:

- **Employers with 100 or more employees** must provide up to **56 hours** of safe and sick leave each calendar year.

Your employer's calendar year is: JULY to JUNE
First month Last month

You earn safe and sick leave at a rate of **1 hour for every 30 hours worked.**

You have a right to **PAID** safe and sick leave if:

- Your employer has 5 or more employees.
- Your employer has fewer than 5 employees but a net income of \$1 million or more.
(effective January 1, 2021)
- You work in someone's home as a domestic worker; for example, babysitter, housekeeper, or companionship worker.
Note: The law covers 1 or more domestic workers working in a household.

You have a right to **UNPAID** safe and sick leave if:

- Your employer has fewer than 5 employees and a net income of less than \$1 million.

You can carry over unused safe and sick leave to the next calendar year.

Use of Safe and Sick Leave:

- Use it for your health, including to get medical care or to recover from illness or injury.
- Use it to care for a family member who is sick or has a medical appointment.
- Use it when your job or your child's school closes due to a public health emergency.
- Use it for your safety or for a family member's safety because of domestic violence, unwanted sexual contact, stalking, or human trafficking.

Your employer can require you to give advance notice of a planned use of safe and sick leave; for example, to attend a scheduled doctor's appointment or court hearing. You do not have to give advance notice of an unexpected use of safe and sick leave; for example, a sudden illness or medical emergency.

You have a right to privacy. You do not have to give your employer details about why you used safe or sick leave.

If you use more than three workdays in a row of safe and sick leave, your employer can require documentation. Your employer must reimburse you for any fees you pay for required documentation. Documentation should *not* include the details of your private medical or personal situation.

Required Written Disclosures about Safe and Sick Leave:

Your employer must:

- Give you a written safe and sick leave policy that explains how to use your benefits.
- Tell you how much safe and sick leave you have used and have left each pay period.

No Retaliation:

It is illegal to punish or fire employees for requesting or using safe and sick leave or for reporting violations.

Timesheets and Absences

You can also enter absences through the timesheet as well as a partially worked day along with a partial absence event.

See the *Entering Absences on a Timesheet* section of this guide for steps on entering absences in a timesheet and examples.

Submit a Timesheet

Each time you complete an entry on the timesheet, click 'Submit' to save it on the timesheet and submit it to your manager for approval.

Before final submission for the pay period, review your timesheet to ensure you have accounted for all scheduled hours.

To submit a timesheet:

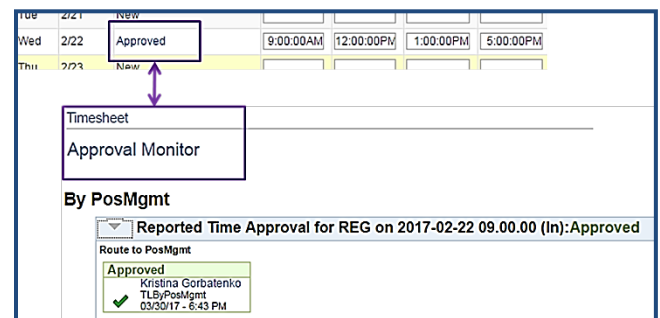

1. Click the **'Submit'** button on the bottom of the timesheet
2. Click the **'OK'** button for the Submit Confirmation message. The timesheet routes to your manager for approval. The Reported Status is now "Needs Approval". Once your manager approves it, the status will change to "Approved".

You can edit a submitted or approved time entry and submit it again for review up until the submission deadline for the pay period.

Viewing Time Entry Status

To view the workflow status of a time entry, click the link in the Reported Status column and the Timesheet Approval Monitor appears.

Here you can view the chronological actions taken for each item.

Editing a Timesheet Entry

Timesheet edits can be made to the current and prior two (2) pay periods.

In the current pay period: You can edit a timesheet during the current pay period even if has already been submitted or approved. Changes can be made until the submission deadline for the pay period. Simply **update** the entries and **'Submit'** the timesheet again before the deadline and it will route to your manager for approval.

In prior pay periods: Navigate to the timesheet using the calendar or navigation links on the Timesheet Entry page. Make any required **updates** to the selected timesheet and **Submit** it and it will route to your manager for approval.

For prior processed pay periods greater than the past two pay periods, contact your manager/DTA.

Correcting a Returned Timesheet

If a question arises on a time entry, managers can **Push Back** an item to indicate that it requires a change or needs to be removed. If this occurs, you will receive an email that your timesheet was modified and you can log in directly from the email to review it.

1. Review your manager's comment in the **Comments** field next to the 'denied' or 'pushed back' item
2. ***Delete** the denied or pushed back item by clicking on the "-" sign at the end of the row and then **"yes"** to confirm removal. **You must delete the pushed back/denied row and then re-enter the time for that day*
3. *If a re-entry is needed*, re-enter the correct time data and submit the timesheet

Pushed Back absences can also be edited through the absence tab beneath the timesheet.

A manager can also make edits directly in your timesheet. You will receive a notification email if someone else modifies your timesheet.
