Direct Deposit Online Instructions

People @ Columbia (PAC) Employee Self-Service includes the ability to set up or change Direct Deposit information. Faculty & Staff can add, edit or inactivate their own direct deposit information with immediate impact on their next paycheck. There is no waiting period for direct deposit to take effect.

- Instructions for first-time setup
- Instructions for changing Direct Deposit for two or more accounts

To set up Direct Deposit for the first time:

Go to https://my.columbia.edu and click on “Log in with your Columbia UNI.” After logging in with your UNI and password, click on the “Faculty & Staff” tab at the top of the page.

On the following page, scroll down to the blue bar titled “Faculty & Staff Self Service” and click on “View Your Direct Deposit Information”.

Direct Deposit is also available from the Payroll & Compensation page accessible via the left menu in the Employee Self-Service screen:

Once you click on “View Your Direct Deposit Information” link on the “Faculty & Staff” web page, you will be taken directly to your specific Direct Deposit data record in PAC:
Direct Deposit

Simply click on the yellow **Add Account** box and you will then be able to add your bank information:

**Add Direct Deposit**

Please select the type of bank account from the drop down box:
Then select the deposit type:

**Deposit Type:**

<table>
<thead>
<tr>
<th>Amount/Percent:</th>
</tr>

<tbody>
<tr>
<td>Amount</td>
</tr>
<tr>
<td>Balance</td>
</tr>
<tr>
<td>Percent</td>
</tr>
</tbody>
</table>

You will now enter the amount or percentage of your deposit. You would only use a deposit type of "Balance" if you were depositing into two accounts, where you would be depositing an "Amount" into your first account, and the "Balance" into the second account.

**Amount/Percent:**

Enter the routing number of your bank:

**Routing Number:**

The bank’s routing number is at the bottom of your check:

If you are depositing into a savings account, please contact your bank for its routing number. You will then be asked to enter your account number twice:

**Account Number:**

**Confirm Account:**

You will then enter the deposit sequence:

**Deposit Sequence:**

(example: 1 = first account processed)

Again, if you were depositing into two accounts you would need to designate one of the accounts as the first account to have money deposited into, and the other account as the second.
